Tue. 3 Dec.	Side event at UN DesaPavillion		
14.45-16.00	<p>Peaceful pathways to sustainable solutions</p> <p>In this time of crisis and opportunity our workshop will focus on the co-benefits of working together in peace, for peaceful solutions. We will have short statements from five disciplines sharing how they focus on peace as an instigator for change. We will hear from science, faith, politics, spirituality, and health -- all so elemental -- if we are to create a better future. The event is designed in an integrative format to facilitate a space that accelerates vision, authentic communication, and unity; helping us refine our strategies and strengthen our ability to implement peaceful and inclusive solutions that offer support to all. Speakers:</p> <p>Thomas Bruhn, Institute for Advanced Sustainability Studies</p> <p>Martin Frick, Senior Director for Policy and Programme Coordination of the UNFCCC</p> <p>Gabrielle Martin, Head of Programs and Events, Brahma Kumaris, Australia</p> <p>Rev. Dr. Neddy Astudillo, Director for Training and LatinoAmerica, Green Faith</p> <p>Dr. Nicole de Paula, Klaus Töpfer Sustainability Fellow/Global Health Asia Institute</p> <p>Moderator:Julia Grindon-Welch, Brahma Kumaris Representative to UN, New York</p> <p>Co Hosts: Brahma Kumaris World Spiritual University & Institute for Advanced Sustainability Studies.</p>	<p>Blue Zone, SDG Pavilion</p> <p>COP25 IFEMA, Av. del Partenón, Nº 5, 28042 Madrid</p>	COP Delegates

Tue. 3 Dec.	UNFCCC Side event		
16:45 - 18:15	<p>Inspiring Courage to Act and Adapt in a Climate Emergency Implementing the Paris Agreement in solidarity, compassion, and with policies that respect and protect rights, including human rights and Indigenous Peoples rights. Explore ways to transform lives, communities, politics, and economics in our global efforts to mitigate, adapt and foster resilience. Speakers:Ana Villalobos - Delegation of Costa Rica Rev Chebon Kernell- World Council of Churches Dr. Debra Roberts - IPCC Co-Chair of WGII, 6th Report Dr. Mark Lawrence – Inst. for Advanced Sustainability Studies Ben Schachter - Office of the High Commissioner for Human Rights Hindou Oumarou Ibrahim - Association of Peul Women and Autochthonous Peoples of Chad (AFPAT) Sister Jayanti Kirpalani - Director Brahma Kumaris in Europe Bishop Philip Huggins - National Council of Churches, Australia Moderator: Lindsey Fielder Cook, Quaker UN Office Organised by: Friends World Committee for Consultation, Brahma Kumaris, Franciscans International, Quaker Earthcare Witness.</p>	<p>Blue Zone Room 1</p> <p>COP25 IFEMA, Av. del Partenón, Nº 5, 28042 Madrid</p>	COP Delegates
Tue. 3 Dec.	Program at EU Pavilion		
18.30 -20.00	<p>Collective Adaptation to the Climate Emergency It has become obvious that we already live under the threat of climate emergency. How can we adapt and prepare? Isolated actions by individuals, nations or faith communities are not enough to mitigate the carbon emission. All are called to respond with collective solidarity and commitment. A deep transformative adaptation is required to build inner resilience, develop strength and finally cultivate compassion and peace. The panellists will explore how science and faith-based communities can support humanity in the future climate-related disruptions. Speakers:Prof. Mark Lawrence, Director at the Institute for Advanced Sustainability Studies (IASS) in Potsdam; Flavia Schlegel, MD MAS, Special Envoy for Science in Global Policy, International Science Council (ISC);*tbc(Golo J. Pilz, Energy Adviser to the Brahma Kumaris and Head of India-One Solar Thermal Power Plant; Sister Jayanti Kirpalani, Director Brahma Kumaris in Europe and Middle East, Main Representative Brahma Kumaris to UN Bishop Philip Huggins, President National Council of Churches, Australia</p>	<p>Blue Zone, COP25 EU Pavilion 8 Room Helsinki</p> <p>IFEMA, Av. del Partenón, Nº 5, 28042 Madrid</p>	COP Delegates
Wed. 4 Dec.	Press Conference of Brahma Kumaris		
12.00 -12.30	<p>Climate Emergency needs Visionary Leadership Whilst scientific evidence provides facts that tell us that a fundamental shift on all levels of society needs to happen, we are still not clear about how to facilitate the necessary transformation. Faith based organizations share the message that spirituality and virtues need to be our guidelines again. What more do we as change makers have to develop personally to be able to become leaders and visionaries for others?</p>	<p>Blue Zone, Press Conference Room 2 ESPERANZA</p> <p>COP25 IFEMA, Av. del Partenón, Nº 5, 28042 Madrid</p>	COP Delegates
