Climate Displacement Task Force: Action after Paris

Tuesday 17 May 2016, 18:30 – 20:00,
Bonn I/II, World Conference Centre, Bonn

At the COP21 in Paris, it was decided to establish a Task Force on Climate Displacement. This side event will inform about the recent developments, the way forward and the concrete actions to avert, minimize and address climate displacement.

Organiser: Advisory Group on Climate Change and Human Mobility

Moderation: Norwegian Refugee Council

Speakers:

- Co-Chair of the Warsaw International Mechanism (WIM): Presentation of the WIM and progress on the Task Force
- Link between the Task Force and the Platform on Disaster Displacement
- ActionAid: perspective from South Asia
- Advisory Group on Climate Change and Human Mobility: how UN agencies, international and regional organisations, NGOs, civil society and academia will support the Task Force
