

Understanding the real impact of GHG mitigation activities

**Official Side Event, co-hosted by
The Climate Registry and the National Association of Clean Air Agencies (NACAA)**

**Thursday, December 8, 2011
4:45 – 6:15pm
Hex River Room, Durban Exhibition Centre**

Companies & all levels of government want to understand the real impact of GHG reduction actions. Policymakers share examples of subnational governments and corporations mitigating GHG emissions, highlight tools needed to quantify these, and provide perspectives on actions that make the greatest impact.

Moderators:

David Rosenheim, Executive Director, The Climate Registry
Misti Duvall, National Association of Clean Air Agencies

Speakers:

Linda Adams, President, Regions20 (R20)
Thomas Becker, Vice President for Government Affairs, BMW
Larry Greene, National Association of Clean Air Agencies
Terry Lake, Minister of Environment, Government of British Columbia
Mary Nichols, Chairman, California Air Resources Board
