

IGES Side Event

MRV in NAMAs and the CDM

Date: 8 October 2010 (Friday)
Time: 14:45-16:15
Venue: Guiyang, MJCEC
Organiser: Institute for Global Environmental Strategies (IGES)

*Light refreshments will be served after the side event.

The first part of this side event will analyze how existing MRV systems in Asia could operate under a future climate change regime. The second part will share results from a workshop on the regional distribution of CDM projects and a conference in Berlin from International Research Network for Low-Carbon Society (LCS-RNet).
