We invite you to the “International Dialogue Panel – Patents and Public Policy for the Green Transition”, an online event promoted by the Center for Management and Strategic Studies (CGEE) in partnership with the Brazilian National Institute of Industrial Property (INPI).

The meeting will bring together Latin American experts to exchange information and experiences on green patents, with the aim of promoting dialogue on Sustainable Development, Innovation and Climate Change.

The event will take place on Tuesday, November 22nd, at 9am, and will be translated into Portuguese, English and Spanish.
