

## **IETA Side Event in Bonn: Carbon Pricing and the implementation of the Paris Agreement**

**Monday May 23, 2016  
13:15 – 14:45**

**Room Bonn I/II, World Conference Centre Bonn**

*IETA will hold a side event during the UNFCCC conference which will bring together Parties, market participants and NGO's to discuss how Article 6 can be implemented successfully so that it will lead to more widespread carbon pricing which can help Parties scale up action towards net-zero emissions. The event will feature a panel discussion which will discuss the options and challenges for implementation of Article 6 of the Paris Agreement. It will feature an introductory presentation of a recently published IETA [paper](#) on market provisions of the Paris Agreement.*

*Please note that it will be possible to attend the meeting by phone.*
