UNFCCC COP16 & CMP6 Side Event in Cancun, Mexico

Japan's Initiative for Supporting Developing Countries - NAMAs/MRV, CDM Reform and Climate Actions -

Date: Tuesday, November 30, 2010

Time: 16:45—18:15

Venue: Mamey (Cancun Messe)

Establishing a low carbon society requires increased mitigation efforts both by developing and developed countries, strengthened cooperation, and an enhanced international system. The Side Event introduces Japan's recent efforts related to NAMAs/MRV and CDM reform in cooperation with developing countries.
