

Official Side Event – COP29

Transparent Monitoring

Driving Accountability and Equity by Leveraging Local Data

Thursday, 14 Nov 2024
Time: 15:00-16:30
Room: SIDE EVENT 9

Transparent monitoring is key for accountability & equity in combating climate change, deforestation & land degradation. This session will share insights from experts & countries on impact of transparent data on policy development, and how local data contribute to increase the ambition of the NDCs.

Welcome remarks

Federal Ministry for the Environment, Nature Conservation, Nuclear Safety and Consumer Protection (BMUV) (tbc)

Satya Tripathi
Secretary-General of the Global Alliance for a Sustainable Planet

MC: Eliza Villarino
Alliance of Bioversity-CIAT

Session 1
