Family and Community Agriculture: Developing and Implementing Sustainable Climate-Resilient Agricultural Solutions

Thursday November 10, 2016

6:30-8:00 pm

Location: Pacific (Observer Room 2)

The Adaptation Fund presents country experiences in executing agricultural adaptation projects in developing countries. Implementing entities will share country experiences of adaptation projects featuring the theme of family, community and sustainable agriculture from across the globe. Presenters from the Adaptation Fund's pioneering Direct Access modality, as well as other implementing entities, NGOs and Adaptation Fund staff will share success stories and trends.
