

Official UNFCCC Side-Event:

**Ecosystem-based adaptation
in the water sector:
when green and grey make blue!"**

Sat. 7th Dec. 13:15-14:45, Room n°2, Hall n°4

Description:

Ecosystem-based Adaptation in the water sector mobilizes “no-regret” Nature-based Solutions incl. resilient land and forest management that best deliver at the scale of the basins of lakes, rivers and aquifers. The session provides case studies from around the world, including the Andean, African and European regions.
