PROPOSAL: Protected Forest TRANSCUTUCU

- Give information on the REDD+ processes
- Development and implementation of *Plans of Life*
- Diagnostics and plans to reduce deforestation and degradation of forests.
- Development of agreements for the Indigenous REDD+ initiatives
- Develop innovative financial mechanisms which include the support of an Indigenous REDD+ pilot project.
- Capacity development of communities, based in the ancestral knowledge of Shuar people on adaptation and mitigation.

A map of South America and surrounding regions. The map shows the continent of South America in green, with Ecuador highlighted in orange. The Equator (0°) and Tropic of Capricorn (23°S) are marked with dashed red lines. The map is surrounded by the North Pacific Ocean, North Atlantic Ocean, Caribbean Sea, and South Atlantic Ocean. The map also shows the borders of North America, Central America, and the Caribbean. A scale bar indicates 1000 m and 1000 km. The worldatlas logo is in the bottom right corner.

Proposal: PROJECT SACRE (Conservation and Ecological reserves System of the Achuar Poeple)

- Conservation of environment, and culture, strengthening Achuar government
- Intangible Reserve, regulations of hunting and fishing
- Extending Plans of land management, which permit sustainable activities
- Capacity building workshops
- Remediation of degraded ecosystems, waste management
