

BIOENERGY CONNECT

What is it BioenergyConnect?

BC has been designed to be the premier future Global Bioenergy Networking website to facilitate companies and individuals to find and share news, reports or information and to find or promote services and products.

Individuals can sign up for free to be a part of the network and promote / find investment opportunities or to create a discussion forum.

Companies can sign up and get access to the full networking features available with the bonus of being able to upload UNLIMITED numbers of reports, whitepapers, news, video's, photo's, brochures, employee profiles, job opportunities, events, discussion topics, products and services.

What is the purpose?

The purpose is to make it easier to do business & communicate by bringing all areas of the bioenergy industry together into one user-friendly community.

For Whom?

Companies, researchers, organizations, individual experts and literally anyone else interested in getting involved with bioenergy companies and related areas of research or investment.
