

UN CLIMATE CHANGE CONFERENCE COP18- DOHA 2012

African Youth Forum on Climate Change:

Mobilizing African Youths on reasons for Planting trees:

Thursday 29th November from 20:15 -21:45

Side Event Room 8

Lessons learnt from Amuwo Odofin Council, Lagos, where over 12,000 trees were planted and nurtured in a year and other African countries. Trees reduces CO₂, Produce O₂, Grow more food: natural fertilizer, preserve water supply, prevent desertification, resist coastal erosion, preserve biodiversity etc.

GUEST SPEAKERS:

Lord Mayor Ayodele Adewale, Mayor Amuwo Odofin Local Government

Dr. Tunji Bello, Commissioner for Environment, Lagos

Taiwo Adewole- African Youth Expert on Climate Change

Others include African Youth Leaders from the five regions etc.

Moderator: Prince Goodluck Obi

(Designated Contact Point, United Nations of Youth Nigeria)
