Basic facts:

- 2009: **Founded** as an Observer constituency to the UNFCCC
- 2011: Granted **full Observer Constituency status**
- 2015: Launched the **Gender Just Climate Solutions** Awards Program
- 2022: 34 member organizations (with official accreditation to UNFCCC) plus hosted advocacy network of over 500 groups and individuals
Our Goals

- Promote human rights, gender equality and effective participation of women at all levels of decision making.
- Provide a voice to women to formalize and unify the perspectives of women and gender civil society organizations active in the UNFCCC processes.
- Provide a space to members to raise their concerns and formulate democratically shared positions.
- Expand outreach and engagement with various groups and unify a global movement demanding climate justice.
- Ensure that global commitments on climate change embrace gender equality and women’s rights.
African Feminist Task Force

The African Feminists Taskforce for COP27 has 4 main objectives

- Connect, organise and unite African feminists towards COP27
- Deliver a robust and inclusive African feminists COP27 demands
- Engage and influence COP27 processes and outcome through engagement in WGC and AGN
- Create a cadre of well informed African feminists and passionate advocate of feminists climate justice in the UNFCCC process and beyond

The membership of the taskforce is open to everyone identifying as feminists from Africa.
