

## **Prosperity, Politics & People**

### **Necessary framework (environment) for sustainable forest ppp projects**

Wednesday, 23 May 2012  
18:15—19:45  
Room WIND (Ministry of Environment)

Business models for forest conservation help to develop economic structures which create and strengthen local markets and value chains. Additionally they have to provide the political participation of the local community to ensure their justice and dignity. How to design such business models?

- 18:15**      **Introduction by Julio Lambing (e5)**
- 18:25**      **Dirk Waltersbacher**, Forest Finance Group - Germany
- 18:35**      **Kate Dooley**, FERN - Belgium, UK
- 18:45**      **Samuel Nnah Ndobé**, Centre pour le Développement et l'Environnement (CED) Cameroon
- 19:00**      **Victoria Tauli-Corpuz**, Tebtebba Foundation - Philippines
- 19:10**      **DISCUSSION**
