Organizers

The Inter-Parliamentary Union (IPU) is the world organization of parliaments, a global forum for parliamentary dialogue, cooperation and action. Created in 1889, it advances democracy and assists parliaments and parliamentarians throughout the world to fulfil their mandates.

Grantham Research Institute on Climate Change and the Environment was established by the London School of Economics and Political Science in 2008 for policy-relevant research and training, bringing together international expertise on economics, finance, geography, the environment, international development and political economy.
