

Climate finance side event

Recent analyses of the OECD and Climate Change Expert Group

This side event will present three strands of work relevant to on-going discussions on climate finance under the UNFCCC: mobilising climate-friendly investment, tracking climate finance, lessons learned from effectiveness of development finance.

Wednesday 16th May 2012, 20:00-21:30, SOLAR

Chair: **Dr Fernando Tudela**, Mexico

Tracking climate finance: what and how? Jane Ellis

Towards a green investment policy framework, Virginie Marchal

Effectiveness: Lessons from development co-operation, Hubert de Milly and Kenta Usui

Followed by general discussion and light refreshments
