HIS HOLINESS 1008 SHRI SHRI SOHAM BABA (BABAJI)

His Holiness is a Himalayan master rarely savored in the world in this Grandeur of royalty and nobleness. His Work and efforts for Global Peace and Humankind, can all be witnessed through the projects and activities of His international renowned organizations ‘The Soham Baba Mission Foundation’ and ‘United Green Care Foundation’, worldwide a shining light of strength and inspiration for millions of hearts. He is the Mahāmandalêshvara of Junā-Ākhārā, who urged that Global Peace is a state of consciousness that can only be attained together or not at all.

He distinguished Himself at the Maha-Kumbh 2010 (Haridwar), by putting His words into deeds. With His Green Campaign during this period, He spread out sharp and clear messages: “Protection of the Environment”, “Stop Global Warming”, “Save the World” and “Preserve Mother Earth”. Because of His immense comprehension about the climate change, He was invited at the United Nations Framework Conference on Climate Change in Cancun Mexico, 2010.

Born of Indian parentage and domiciled in Western Europe, He is both Eastern and Western. By using the enormous power and energies gained from His GURUDEVA, He is able to draw on hidden sources of wisdom and concentration within Himself and others. It is a wonder that at this age, when many have not picked up the true rudiments of the wisdom of art and craft, He has been able to pack so much into His life. His development as a enormous gifted being not only exemplified in His work as a neurosurgeon but also in His writing, His music, His films, His photography and His calligraphy. He has the quality of an uber-psychologist and uber-psychiatrist, to bring out the ultimate human being in oneself, our Divine source. His duty to protect the 5 elements of life: Fire, Water, Air, Earth and Ether reveal His love and understanding for Mother Nature.

He has always delivered the message of Unconditional Love, which exhibits through His actions and activities of His Mission, ‘The Soham Baba Mission Foundation’ and His international society for Green Awareness, ‘United Green Care Foundation’. By taking this forward, He has guided His people to provide health services in remote areas of the villages, where medical care is by far not available or in the worst case ignored. With the philosophy of “Living for others”, based upon Niscam-Seva, His ambulance centre grew to become the largest in North-East India. His projects are active in 128 countries, including Africa, Nepal, Sri Lanka, South America, Eastern Europe and Australia. The projects of The Soham Baba Mission Foundation started in the rural villages of Southern

Asia, but has extended nowadays to a (inter) global level where EVERY human being has the opportunity of making their life's a Divine one. More of these exceptional and remarkable activities are captured in several books and documentaries of The Soham Baba Mission Foundation.

In recognition for the tremendous gift to life, Selfless Service - Niscam Seva, a postal stamp was released in 2003 by the government of The Netherlands as an apt appreciation to His Holiness Shri Shri 1008 Soham Baba and His Mission. The government quoted that, His devotion and diligence towards Humanity as a world leader and great spiritual guide lets us dwell in the Heart of the Cosmos, where the true Universal Peace lays.....

THE PHILOSOPHY OF THE SOHAM BABA MISSION FOUNDATION

The Soham Baba Mission Foundation

What one sees in The Soham Baba Mission Foundation is the manifestation of the amazingly positive and all embracing dream and spiritual vision of His Holiness Shri Shri 1008 Soham Baba. Babaji is a spiritual leader who reminds the twenty first century of Renaissance man. To know Him is to know the Mission – what it stands for, what it want to do.

- The Soham Baba Mission Foundation is the manifestation of the dream and vision of a world united in Peace, Love and Harmony. A vision of the world where compassion pervades and all reasons for rancour or hatred eradicated because of increased awareness of human brotherhood.
- The Soham Baba Mission Foundation is a global family runs on the traditional ideal of ASHRAM LIFE, as practiced in India and dedicated to promoting peace on earth.
- The Soham Baba Mission Foundation is formed by the people of all lands, united to work positively together and collaborating with other good-willing people and organizations with similar intentions and goals.
- The Soham Baba Mission Foundation is neither a sect nor based on the dogmas of any religion. It is based upon the universal truths of love, sharing, peace and divinity.
- The Soham Baba Mission Foundation is dedicated unto Christians, Buddhists, Moslems, Hebrews, Bahayis, Shiks, Jains, Hindus and all other religionists of the world.

- The Soham Baba Mission Foundation is dedicated unto all churches, mosques, vihars, tabernacles, pagodas and temples of the world.
- The Soham Baba Mission Foundation believes that every living creature is a member of a single planetary community, born with an equal right to share the land, water, air and all naturally occurring phenomena on this planet.
- The Soham Baba Mission Foundation believes that every living creature has the right to have and to share a positive dream about their future and the right to work towards the fulfillment of that dream together.
- The Soham Baba Mission Foundation takes upon itself the noble tasks of making people aware that this world and all its beauty has been given us in trust and of cultivating a humane attitude of genuine responsibility towards all forms of life.
- The Soham Baba Mission Foundation involves itself in a great variety of work with spiritual activities predominating.
- The Soham Baba Mission Foundation is a wide range of social and creative work done at and from the Mission to enable its friends and followers to explore their own potential and to appreciate living in its totality.
- The Soham Baba Mission Foundation is not merely an Ashram. It is a comprehensive experience geared towards the awakening of the inner consciousness. It is a way of life.

The Soham Baba Mission Foundation and The Millennium Development Goals

The Soham Baba Mission Foundation is both a Not-For-Profit Organizations (NFP) and a Non-Governmental Organizations (NGO), committed to offer its charitable services to the poorest of the poor, the lost, the addict, the forgotten and the neglected ones all over the world to live in unity and harmony. The Soham Baba Mission Foundation, founded in 1991 in the Netherlands by His Holiness Shri Shri 1008 Soham Baba and Shri 108 Ma Aparnā Giri is devoted to the noble task of offering Self-less service to the Mother Nature, to the children of the world and to the humanity in its totality for a peaceful, plentiful and positive tomorrow.

The Soham Baba Mission Foundation realized many Medical Projects and Water Projects in India, Africa, Sri Lanka, Nepal, Egypt and Europe. Over the years thousands of people have been saved during these Medical Projects and in the Medical Camps. The Medical Project Rescue 006, having the biggest ambulance center in West-Bengal, India, with 26 ambulances and 6 life saving boats, guaranteed the health and immediate help for thousands of people in the state and rural villages in India. Distribution of food, medicines, clothes, blankets and mosquito nets in South-America, Africa, India, Sri Lanka and Nepal are some of the projects where directly essential medical and practical help to people has been given. For more then three decades, the founder who is certified as a medical surgeon, has been consulting and treating thousands of people all over the world.

The Soham Baba Mission Foundation realized a successful banner campaign to raise awareness about climate change awareness during the Kumbh Mela 2010, Haridwar, India, the biggest gathering of human beings in the world.

The Soham Baba Mission Foundation planted hundred thousands of trees in India, Africa and Europe.

The Soham Baba Mission Foundation cooperates with Himalayan indigenous peoples and protects their habitat.

The Government of The Netherlands has awarded the Rescue 006 Project of the Soham Baba Mission Foundation in India, as part of the United Nations Millennium Development Goals.

The Soham Baba Mission Foundation has supported and contributed to the United Millennium Development Goals since its inception in September 2000. Several projects of The Mission have been subsidized by the Government of The Netherlands as part of the United Nations Millennium Development Goals: Tube Well Water Projects, Field Hospital Projects

The Soham Baba Mission Foundation strives to realize and support the United Nations Millennium Development Goals:

1. To stop Global Warming by:

- raising awareness through local project like planting trees and cleaning Mother Nature
- raising awareness about the Western consumption behavior and their consequences
- organizing seminars, workshops, conferences and events to inform stakeholders and to encourage them for a positive contribution
- initiating a national and international dialogue between victims of climate change and authorities.
- creating a platform for the victims of climate change to inform and advice them, and most importantly to show our respect to them for their contribution to a healthy climate.

2. To a world where the indigenous peoples can live in their natural habitat. The Soham Baba Mission Foundation wants to help the victims of climate change catastrophes by representing and defending them on various public platforms and to help the immediate victims with all the means that they have.

3. The Soham Baba Mission Foundation strives to a global acceptance of the diversity between people by organizing cultural meetings and raising awareness of religious similarities.

4. The Soham Baba Mission Foundation strives to a world without hunger and poverty by realizing her different projects and activities worldwide and by inspiring and educating the youth in the most challenged countries.

5. The Soham Baba Mission Foundation strives to equality of women worldwide by capacity building.

6. The Soham Baba Mission Foundation strives to minimize child death in the world by setting up medical facilities. These facilities are also available for the poor and the needy. Her special division 'RESCUE 006' has set up the largest ambulance center in West Bengal, India.

7. The Soham Baba Mission Foundation strives to stop aids and to reduce other deadly diseases like tuberculoses and malaria. Education to prevent these diseases is primary.

8. By supporting programs which are promoting and contributing towards global partnership.

THE CHARTER OF THE SOHAM BABA MISSION
