

IPCC Side Event

2019 Refinement, SLCF Expert Meeting and other IPCC TFI activities

Friday, 07 December 2018, 18:30–20:00, Room Wisla

Expert Meeting on SLCF took place last May in Geneva. IPCC is finalizing the “2019 Refinement to the 2006 IPCC Guidelines for National Greenhouse Gas Inventories”. The work to incorporate Tier 2 methods in the software for AFOLU has started, after it had been completed for other sectors. The upgraded and updated version of the IPCC EFDB was released in May 2018.
