Transitioning to the ETF: Capitalizing on experiences of the existing MRV process

When?

10

November

13:15 – 14:45

Where?

Room

8

Thutmose

Background

The enhanced transparency framework (ETF) under the Paris Agreement will supersede the UNFCCC's existing MRV process. Parties and other relevant stakeholders have recognized that the existing MRV process (IAR and ICA) is functioning well.

Objectives

To discuss how transitioning to the ETF can benefit from and be facilitated by useful insights, experiences, lessons learned, and best practices/approaches gained from the existing MRV process (IAR and ICA).

Format

The event will follow a format of moderated panel discussion addressing a set of guiding questions.

- Moderator : Juan Carlos Monterrey Gomez, Vice-chair of the SBI
- Presentation : the secretariat
- Panelists from : Greece, Norway, Ghana, Lebanon, Zimbabwe and International Organization from India
