Building Ambition and Rigour on Nature-based Solutions to Climate Change

Thursday, 11 November 2021 | 18:30 – 19:45 (GMT) | Skomer (Multimedia Studio 2), COP26 Blue Zone, Glasgow, UK

The aim of this session will be to present the latest state-of-the-art on Nature-based Solutions (NbS) and their role in delivering the goals of the Paris Agreement.

It will showcase how leading countries are integrating NbS within their national climate policies (i.e. NDCs, NAPs, Long-term Strategies). It will also examine how the quality of implementation of NbS on the ground can be better assured.

Moderator

- [Angela Andrade](#), Chair, Commission on Ecosystem Management (CEM), International Union for Conservation of Nature (IUCN)

Panellists

- [Lera Miles](#), Principal Technical Specialist, Climate Change & Biodiversity, UNEP-World Conservation Monitoring Centre (UNEP-WCMC)
