

**COP28 UNFCCC Side Event:  
Stronger International Cooperation on Photovoltaic  
Industry to Accelerate Global Energy Transition****UNFCCC边会: 产业合作筑基能源低碳发展**

主办单位: 中国能源研究会可再生能源专业委员会 (CREIA) Chinese Renewable Energy Industries Association; 全联新能源商会(CNECC)China New Energy Chamber of Commerce; 丹麦工程师协会 (IDA) Danish Society of Engineers; 中国光伏行业协会 (CPIA) China Photovoltaic Industry Association

支持单位: 气候工作基金会 (CWF) ClimateWorks Foundation

**Agenda**

14:45-15:00	Sign for supporting the target to triple global renewable energy capacity by 2030 and group photo
15:00-15:25	Opening remarks
15:25-15:35	Keynote speech: Status and outlook of global Solar PV industry cooperation
15:35-16:05	High Level Dialogue 1: Deepen industrial communication, strengthen cooperation and resilience, and accelerate global energy transition. Key questions for discussion: 1. What are the key challenges for international cooperation of Solar PV industry? 2. The Solar PV industry in different regions around the world shows different development status. What suggestions do you have for the development of Solar PV industry in different regions? 3. What roles should industry organizations, enterprises, and financial institutions play in international cooperation in Solar PV industry?
16:05-16:30	High Level Dialogue 2: Development of Solar PV industry and how it can be more contributive to a sustainable future. Key questions to discussion: 1. Decarbonization of the Solar PV industrial chain 2. Trends of ESG of Solar PV companies 3. Digitalization of Solar PV industry

**Speakers:****Pradeep Kurukulasuriya**

UNDP Executive Coordinator and Director, Environmental Finance

**Ute Collier**

Acting Director, Knowledge, Policy, and Finance Centre (KPFC), IRENA

**Cao Renxian**  
(online)

Chairman of Sungrow Power Supply Co., Ltd. and Chairman of China Photovoltaic Industry

**Li Zhenguo**

LONGi Green Energy Technology Co., Ltd., President Unit Leader of China New Energy Chamber of Commerce

**Dany Qian**

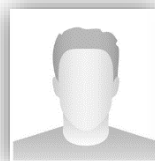

Global Vice President of JinkoSolar

**Meng Linglai**

Vice President of Sungrow Power Supply's Photovoltaic and Storage Business Group and President of Overseas Strategic Key Accounts Center

**Zhu Yinteng**

Vice President of AMEA Power

**Marwan Ahmad Odeh Aljaber**

ME Sales Director of JA Solar Technology Co.Ltd.

**Wang Yang,**

Founder and CEO of Naas Technology Inc.

**Ofori Boateng**

CEO of Strategic Security Systems

**Fabby Tumiwa**  
(online)

Executive Director of Institute for Essential Services Reform

**Luiza Demoro**

Head of Energy Transitions Research of BloombergNEF

**Sun Xiansheng**

Former Secretary General of International Energy Forum

**Dr. Zeng Shaojun**

Secretary-general of China New Energy Chamber of Commerce

**Laura Klitgaard**

Chairman of Danish Society of Engineers

**Zhang Xiaohua**

China Country Director of ClimateWorks Foundation

**Li Dan**

Executive Secretary General of Chinese Renewable Energy Industries Association

**Wang Wei-quan**

Deputy Secretary General of Chinese Renewable Energy Industries Association.
