

Community perspectives

Colin McQuistan
Practical Action
COP 22 Marrakesh
7th November 2016

Impacts are already occurring

Response and preparedness diverts limited resources

PRACTICAL ACTION
Technology challenging poverty

Livelihoods dependent on ecosystem services

Ecosystem resilience in decline

Financing is critical

More than insurance

PRACTICAL ACTION
Technology challenging poverty

Loss and Damage: Perspectives and Options

Thank you for your attention
We'd love to continue the discussion!
