A photograph of two women sitting on a patterned mat in a rural landscape. The woman on the left is wearing a light blue shirt and a wide-brimmed straw hat. The woman on the right is wearing a plaid shirt, a red and blue headscarf, and a wide-brimmed straw hat. They are looking at a large, shiny metal pot with a green handle. The background shows a field, trees, and mountains under a cloudy sky.

Join us for an interactive discussion that will consider the contributions COP22 can make to building a 'Feminist Fossil Fuel Free Future' and invite participants to contribute to the mapping of alternative visions to be launched at COP23.
