

De-risking climate finance

Best practices and lessons for scaling-up

The session presents new instruments to de-risk climate-friendly investment, such as public-private partnership funds that attract corporate and institutional capital for clean energy and land use action. The panel will discuss reasons for success and ways to deploy successful instruments at scale.

Wednesday
12 Dec 2018
15:00 - 16:30
Room Wisla
