

BUSINESS DAY

COP24 ICC BUSINESS AND INDUSTRY DAY: INCREASING CLIMATE AMBITION

A PRIVATE-PUBLIC DIALOGUE

9:00-18:00 | 6 DECEMBER 2018 | **KATOWICE, POLAND**

The official COP24 Business and Industry Day is hosted and organised by the International Chamber of Commerce (ICC), in its capacity as the UNFCCC Focal Point for business and industry.

Throughout the day, high-level government representatives, climate change champions and business leaders from across different sectors and jurisdictions will share their stories and ideas on the leadership and change required to enhance the ambition of countries' Nationally Determined Contributions (NDCs) and make zero emissions development a reality.

The aim is to sound a note of optimism and, through constructive and inclusive dialogue, contribute to the development of high-level inputs to the Talanoa Dialogue.

Inspired by the Talanoa spirit, you are invited to bring your stories and proposals to the table.

THE BUSINESS & INDUSTRY DAY PROGRAMME WILL INCLUDE PANEL SESSIONS ON:

- > **High-level Opening**
- > **Increasing Climate Ambition**
Organised by ICC
- > **Building new public-private coalitions to meet climate challenge in Africa**
Organised AWARD and the BNP Paribas Foundation
- > **Business exploration of carbon neutral pathways at country level**
Organised by the Association Française des Entreprises pour l'Environnement (EpE)
- > **Resolution of Climate Change-Related Disputes through Arbitration and Alternative Dispute Resolution**
Organised by the Permanent Court of Arbitration, in partnership with the International Bar Association, Arbitration Institute of the Stockholm Chamber of Commerce, and ICC

VENUE

**International Congress
Centre (MCK)**
Katowice, Poland
