

European support for the delivery of State Action Plans on Aviation Emissions Reduction

Peter Kirk
Deputy Executive Secretary
European Civil Aviation
Conference

ICAO Side Event
Bonn, 7 June 2011

European Civil Aviation Conference

International aviation and climate change

- Importance of Res'n 37/19: the end of the beginning?

International aviation and climate change

- Importance of Res'n 37/19: the end of the beginning?
- Consolidate, preserve consensus, move forward.

International aviation and climate change

- Importance of Res'n 37/19: the end of the beginning?
- Consolidate, preserve consensus, move forward.
- State Action Plans the first opportunity to do so.

International aviation and climate change

- Importance of Res'n 37/19: the end of the beginning?
- Consolidate, preserve consensus, move forward.
- State Action Plans the first opportunity to do so.
- Patrick Gandil, DGCA France and ECAC Focal Point for Environmental Matters :

“The delivery of action plans is the first opportunity offered to States to support in concrete terms the implementation of the agreement which was reached in ICAO, and to showcase their actions and their own strategy.”

The Action Plans....

- Should maintain the momentum won in 2010.

The Action Plans....

- Should maintain the momentum won in 2010.
- Should be simple.

The Action Plans....

- Should maintain the momentum won in 2010.
- Should be simple.
- Shouldn't be burdensome on States.

The Action Plans....

- Should maintain the momentum won in 2010.
- Should be simple.
- Shouldn't be burdensome on States.
- Should be measured by *scale of response*, at this early stage.

The Action Plans....

- Should maintain the momentum won in 2010.
- Should be simple.
- Shouldn't be burdensome on States.
- Should be measured by *scale of response*, at this early stage.
- For European States, will cover both State-specific actions *and* actions taken at regional and sub-regional levels.

Paris workshop an opportunity...

- ...for European States to understand the thinking of ICAO Secretariat on the preparation of Action Plans.

Paris workshop an opportunity...

- ...for European States to understand the thinking of ICAO Secretariat on the preparation of Action Plans...
- ...and for ICAO Secretariat to gain feedback on its draft guidance.

Paris workshop an opportunity...

- ...for European States to understand the thinking of ICAO Secretariat on the preparation of Action Plans...
- ...and for ICAO Secretariat to gain feedback on its draft guidance.

Paris workshop an opportunity...

- ...for European States to understand the thinking of ICAO Secretariat on the preparation of Action Plans....
- ...and for ICAO Secretariat to gain feedback on its draft guidance....
- ... and to clarify how industry-led actions are best captured in Action Plans; and consider the distinction within Action Plans on monitoring emissions and reporting on actions.

European support for the delivery of State Action Plans on Aviation Emissions Reduction

Thank you
