

MEETING THE PARIS GOALS THROUGH DECISION-MAKER TOOLS AND CLIMATE EDUCATION

MONDAY, 14 NOV. 2016

15:00—16:30 / Pacific / Blue Zone, Bab Ighli

Pioneering approaches to engage people on climate change are being used by Climate Interactive, the Abibiman Foundation, and Massachusetts Institute of Technology Climate CoLab. We will highlight the latest decision-maker tools around climate policy and open innovation approaches to building climate awareness, in support of accelerating implementation of the Paris Agreement goals.

SPEAKERS

Ms. Laur Hesse Fisher, Project Manager, MIT Climate CoLab
