

# Market Mechanisms 2.0. Moving from the Kyoto regime to the Paris scheme

BONN ZONE, ROOM 4

THURSDAY, 9<sup>th</sup> NOVEMBER 2017

13:15 - 14:45

Making the Paris market mechanisms work requires combining past experience with new elements. This side event discusses lessons learnt from the Kyoto mechanisms and integration options that balance continuity and innovation, the capacity building needs of African countries, options for systems-linking and the potential role of sectoral mechanisms.
