14 November 2022
11.30-13.00 EET**

Room: Memphis, Blue Zone.

**Accelerating
gender-smart
and socially
inclusive climate
finance through
public and private
investments.**

UNFCCC Side Event organised by

European Investment Bank The EIB bank

Hivos people committed

CEB

To tackle climate change and rising inequalities more gender-smart and socially inclusive climate finance is needed. How can public and private investors, civil society, local organisations and MDBs step up their efforts today?

Join the below distinguished panel for a side event on accelerating gender-smart and socially inclusive climate finance through public and private investments on November 14th 11.30-13.00 in the Blue Zone, Memphis room or listen in [online](#).
