COMMITMENT TO ACTION:
SUPPORTING EFFECTIVE IMPLEMENTATION OF NDCS AND RELATED SDGS

1. What is the proposed goal for this partnership?

2. What will this partnership deliver?

3. What will this partnership look like?

PROPOSED GOAL

- Support countries in the early and effective implementation of their NDC and related SDG commitments

- Bring climate and development agendas together

STRONG FOUNDATION TO BUILD ON

PROPOSED ACTIVITY 1:

HELP <u>NAVIGATE</u> AND ACCESS TECHNICAL AND FINANCIAL RESOURCES

Photo: Flickr **Mathieu Thouvenin**

PROPOSED ACTIVITY 2:

DELIVER CUSTOMIZED GLOBAL <u>KNOWLEDGE AND TOOLS</u> TO INTERESTED COUNTRIES

PROPOSED ACTIVITY 3:

HELP CONVENE & COORDINATE CLIMATE AND DEVELOPMENT INITIATIVES AND MAKE THEM MORE EFFICIENT AT COUNTRY AND GLOBAL LEVELS

PROPOSED ACTIVITY 4:

COMMUNICATIONS: PROFILE COUNTRY ACTIONS AND HIGHLIGHT PROGRESS

PROPOSED ACTIVITY 5:

SUPPORT IMPLEMENTATION:
POLICY ENVIRONMENT, PROJECT
PREPARATION, AND ACCESS TO FINANCE

PARTNERSHIP STRUCTURE (PROPOSED)

Consultative Group
- Contributing countries and institutions
- Developing countries

Support Unit: Facilitate operation and knowledge management

Knowledge and Implementation Partners: Contribute technical expertise and implementation capacity
- Local, national and global partners

THREE WORK STREAMS

I. Global Support

Navigate and access technical and financial resources

Global knowledge and tools customized to each country

Coordinate climate and development support

Enhance communications

II. Tailored Technical Support based on country Needs

Prepare investment-ready projects

Connect investors to projects

Policy environment

III. Large-scale investment

Investment in the hardware, such as solar and wind plants, public transit, climate-smart agriculture, landscape restoration, urban resilience, etc.

Effective, Inclusive and Early NDC Implementation

THANK YOU
