**ICAO: UNITING AVIATION ON CLIMATE CHANGE**

# Side Event

## Emissions from International Transport: Global Solutions for Global Industries

**Tuesday 30 November, 2010 > 18:30–20:00 > Room: Jaguar  
International Civil Aviation Organization (ICAO)**

ICAO cordially invites you and all other participants at the UNFCCC Climate Change Conference to take part actively in our side event (jointly with IMO).

During the first 45 minutes, be part of the conversation on the highly significant global climate change agreement successfully reached by ICAO member States at their recent 37<sup>th</sup> Assembly, making international aviation the first sector with a shared global commitment to environmental goals of increasing fuel efficiency and stabilizing CO<sub>2</sub> emissions in the medium term. Hear about ICAO's transition from a policy setting to an implementation mode in pursuit of its goal to:

***"Limit or reduce the impact of aviation greenhouse gas emissions on the global climate."***
