

**On-line Documentary Video Exhibit Program**

## **The Letter and testimonial voices from around the world**

*Do you want to hear more of the voices raised in the peripheries of our World?*

**Documentary Video exhibit, Blue Zone, COP 27**

Nov 14-18th, 10:00 am to 17:00 pm

Under the key messages of The Letter film, the documentary video exhibit includes a compilation of videos from direct witnesses and victims of loss & damage, human rights violations, environmental refugees and the global south/north sharing their experiences; followed by testimonial message targeting the global north and a promotional segment
