

IPCC TFI Side-event at COP16
Wetlands, HWP and Soil N2O: IPCC response to request from SBSTA

| | | |
|----------------------|--|-----------------------------|
| Date | Monday, 29 Nov 2010 13:20—14:40 | |
| Location | Room Águila (Cancunmesse) | |
| Aim | To report the IPCC Response to SBSTA request in June 2010 | |
| Background | In response to the invitation by SBSTA 32 the IPCC TFI held an expert meeting examining the current IPCC guidance on wetlands, HWP and Soil N2O, and to promote the emission factor database. This side event reports on that meetings and how we are developing the EFDB. | |
| Presentations | Welcome and Introduction | Taka Hiraishi, Co-chair TFI |
| | UNFCCC Request | Astrid Olsson, UNFCCC |
| | Report on Managed Land Meeting | Nalin Srivastava, TSU |
| | Report on Extra Detail Meeting | Jamsranjav Baasansuren, TSU |
| | Report on Geneva Meeting | Simon Eggleston, Head TSU |
| | EFDB | Kiyoto Tanabe, TSU |
| | Summary | Taka Hiraishi |
| | Q&A | |
