

Building an inclusive Global Stocktake: How can civil society help assess climate progress?

The Global Stocktake (GST) starts now, at COP26, and will run through 2023.

The GST was designed to be the central ambition mechanism of the Paris Agreement. **How can we make sure it lives up to its promise?**

JOIN US: Thursday, Nov. 11: 4:45 - 6 PM GMT

Registered delegates: Attend via COP26 platform: cop26platform.unfccc.int

General public: Attend via UNFCCC livestreaming platform: bit.ly/cop26-gst
