

Side Event

Eleventh Conference of the Parties to the UNFCCC
First Meeting of the Parties to the Kyoto Protocol
Montreal Canada

Business Initiatives for World-Wide Climate Protection

Thursday, December 1

19:30 - 21:00

Palais des Congrès de Montréal

Churchill River Room

(Confirm on Daily Monitor)

The side event will present significant business initiatives for world-wide climate protection. It is the aim of the event to give an insight of how comprehensive and differentiating the group of business initiatives has become that calls for active climate protection.

Speakers include:

Rahumathulla Marikkar
Peter Höppe
Markus Reichling
Diana Profir
Craig Hanson

Interface Flooring Systems
Munich Re Group
Deutsche Telekom AG
The Climate Group
World Resources Institute
