**Live streaming**

**7:45 h** Peru -Ecuador - Colombia - **8:45 h** Bolivia- Venezuela - **9:45 h** Brazil

Organized by:

**Regnskogfondet**  
RAINFOREST FOUNDATION NORWAY

# WHAT IS THIS EVENT ABOUT?

Indigenous peoples and territories represent natural barriers against deforestation in the Amazon.

However, the lack of regulation on the carbon market threatens their rights and puts their livelihoods, and knowledge systems, at risk.

This event will highlight these challenges and discuss how national regulation can safeguard Indigenous rights.
