### **Guiding questions/ topics for the discussion**

Panelists and participants will be invited to:

- Share experiences and lessons learnt on harmonizing guidelines and methodologies for results-based payments (RBPs) as per Warsaw Framework, both at bilateral and multilateral levels;
- Financing entities in particular: Provide an update on the procedures and timelines for consideration of funding proposals for REDD+ activities, including RBPs, and share information on their coordination with other providers of forest finance;
- Share experiences and best practices on:
  - how policy coherence and coordination of actions can be enhanced at the national level across various sectors, e.g. between forestry and sectors that drive deforestation, such as agriculture, to achieve reductions in deforestation and forest degradation;
  - how enhanced coherence and coordination at all levels can facilitate access to and delivery of support for readiness and implementation of results-based actions on REDD+.
