

# What has REDD+ achieved?

Empirical evidence for transformational change

CIFOR's official side event at COP24

Thursday, 6 December 2018 | 18:30–20:00 | Room: Warmia

# What has REDD+ achieved?

## Empirical evidence for transformational change

Evidence on the performance of REDD+ and other forestry and land use initiatives is critically needed. CIFOR, the Green Climate Fund (GCF) Independent Evaluation Unit (IEU) and partners will present different approaches for evaluating the impacts of these initiatives. Program implementers will reflect on experiences with real-time impact assessment.

### Welcome remarks

**Christopher Martius**  
CIFOR

### Speakers

**Karma Tshering**  
GCF Board Member

**Jyotsna Puri**  
GCF IEU

**Amy Duchelle**  
CIFOR

**Martin Herold**  
Wageningen University

**Malgorzata Buszko-Briggs**  
FAO/UN-REDD

### Moderator

**Arild Angelsen**  
Norwegian University of Life Sciences
