

Becoming a FLOURISHING #BonnFiji partner?

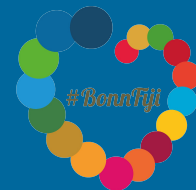

The idea of identifying FLOURISHING Partners has emerged when we realized that an important number of organizations, institutions, businesses, social enterprises, companies, and even universities have flourished over the past decades without investing into building the next generation of innovators, entrepreneurs and development leaders. It is obvious that this approach does not produce sustainable impacts in the efforts of citizens and decision-makers to enable a better world for all. To address this, our aim is to identify FLOURISHING Partners which are well-established, empowered and successful to support younger organizations and initiatives from around the globe.

BECOME **1** OF 17
FLOURISHING
PARTNERS

YOU CAN BECOME A FLOURISHING PARTNER:

1. If your organization, institution or business is well-established, operational and already flourishing (at local, regional or global level)
2. If you have the interest and resources to support the young generations and their organizations with capacity development, funding resources or other kind of support
3. If you are interested in exchanging with citizens, raising awareness on social media and supporting SDG campaigns or projects
4. If you are willing to financially contribute with **500€** to the #BonnFiji global network

If you want to become an official partner, follow our “partnership making process” which is described on the next page. This is necessary to get ready for the official partners announcement during SB48 on the 1st of May. :-)

WHAT WILL YOU GET AS FLOURISHING PARTNER FROM THE NETWORK:

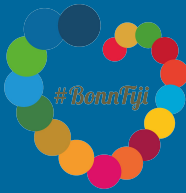

You will get in touch with important #SDG changemakers from all around the world, we increase your twitter outreach by retweeting you with more than 10.000 followers and give access to creative and innovative solutions and projects.

WHAT THE NETWORK EXPECTS FROM YOU AS A FLOURISHING PARTNERS:

The flourishing organizations are encouraged to listen to the growing ones, to support them in enhancing their work and impacts around implementing the SDGs & to create local and regional synergies.

WHAT WILL WE DO WITH THE MONEY:

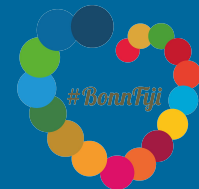

We will use it to buy materials for exhibitions (SB 48, COP24 & others), to pay interns and as an appreciation contribution for our work. The work we do is still on a 100% voluntary basis which makes it not sustainable.

1. Read our FLOURISHING #BonnFiji partnership presentation & **decide within your organization** if you want to start a partnership **(UNTIL 10TH OF APRIL*)**
2. YES? Great then **write us as soon as possible** an email with an official statement about becoming a partner to: bonnfiji@bonnlab.de :-)
3. We will let you know if a partnership slot is available, ask for more details about your organization & we will send you the MoU (Memorandum of Understanding) **(UNTIL 15TH OF APRIL)**
4. You have maximum 7 days to **pay the appreciation contribution** & send back the signed MoU **(UNTIL 22ND OF APRIL)**
5. When we received the money, we will send you the finalized MoU with our signature & an **official partnership certificate** **(LATEST 25TH OF APRIL)**
6. Our partnership is official - we will have a 30 minutes call with your #BonnFiji contact person to speak about the representation & opportunities for your organization during SB48. **(LATEST 28TH OF APRIL)**

***It is definitely possible that you could join our #Bonnfiji network after this deadline if we confirm less than 17 organizations until 25th of April. We will start a second round of calling for partners after the SB's in June 2018 if that is the case.**
