WORK OF THE LEAST DEVELOPED COUNTRIES EXPERT GROUP IN SUPPORTING THE LEAST DEVELOPED COUNTRIES ON ADAPTATION

The Least Developed Countries Expert Group (LEG) organizes side events during the SB sessions to discuss the experiences and progress made by the least developed countries (LDCs) in addressing adaptation, and the support provided by the group to the LDCs on adaptation.

The event will focus on the technical guidance and support to the LDCs in formulating and implementing their NAPs by the LEG, and in collaboration with the GCF, GEF, AF and other relevant organizations.
