

## BUILDING ON THE EXISTING MRV ARRANGEMENTS UNDER THE CONVENTION TO SUPPORT THE IMPLEMENTATION OF THE ENHANCED TRANSPARENCY FRAMEWORK (ETF)

With the adoption of the Katowice Climate Package, countries are readying themselves for implementation of the Paris Agreement. As a result, developing countries are now confronted with increased need for financial, technical and capacity-building support to facilitate their effective participation in the enhanced transparency framework. Support providers have launched initiatives responding to the support needs of developing countries. What are these initiatives? Do they address the needs? What lessons can be drawn from support provided for the existing MRV arrangements under the Convention?
