

« An appropriate and sustainable response to the housing challenge in Africa »

The Nubian Vault Association Program in West Africa: « A Roof + A Skill + A Market »

A ROOF

To kick-start the Nubian Vault market on a local and regional scale

15 years of research and implementation benefiting the housing sector

A SKILL

To strengthen the technical and entrepreneurial capacities of the Nubian Vault related jobs

Help as many people as possible, as soon as possible, to obtain low-carbon, sustainable and quality housing

A MARKET

To strengthen the capacities of the actors of the Nubian Vault housing sector

An international recognition
