

POTSDAM INSTITUTE FOR  
CLIMATE IMPACT RESEARCH

## INVITATION

Joint UNFCCC Side Event of the Potsdam Institute for Climate Impact Research (PIK)  
and the African Centre of Meteorological Application for Development (ACMAD)

# Climate impact assessments as climate services to support adaptation policy and planning

Tuesday, Dec. 10<sup>th</sup> 16:45-18:15  
COP 25 – Room 4

### Presenters

André Kamga Foamouhou (ACMAD)  
Inga Menke (Climate Analytics)  
Christoph Gornott (PIK)

### Panelists

Ingrid-Gabriela Hoven (BMZ) (tbc)  
James Kinyangi (AfDB)  
Andrea Kuhlmann (GIZ) (tbc)  
Mohamed Beavogui (ARC)  
And the presenters

Moderator: **Lisa Murken** (PIK)

During the event we will demonstrate how climate risk analyses can inform and incentivize adaptation policy action. The discussion will be based on results from a climate risk study for Ghana's agricultural sector and concise climate risk profiles for Ghana and Ethiopia. We will also introduce ISIpedia, a new online platform that provides easy and open access to science-based, climate impacts information.
