

Lessons learnt from gendered development cooperation?

Conclusions for gender and climate policy

Side Event COP 15 | Monday 14 Dec 2009 | 14.45 - 16.15

Bella Center, Halfdan Rasmussen

Development experts draw conclusions from their organizations' experience and good practice of addressing gender issues. Their recommendations are discussed in order to provide input for the negotiations, and for adaptation and mitigation actions at national and local levels.

Speakers / Panelists

Rachel Berger, Practical Action

Christina Chan, CARE USA

Sabina Voogd, Oxfam Novib

Facilitator

Dorah Lebelo, GenderCC - Women for Climate Justice /
