

COP 25 Side Event

Achieving NDC targets through South-South and triangular cooperation on bioeconomy

Monday, 9 December 2019, 15:00-16:30
Room 6, Hall 4

This side event showcases how South-South and triangular cooperation on bioeconomy contributes to the achievement of NDC targets in developing countries. A new joint flagship publication by UNOSSC and CGEE on this topic will be launched and distributed at the event.

Organizers

Center for Strategic Studies and Management (CGEE)
International Bamboo and Rattan Organisation (INBAR)
United Nations Office for South-South Cooperation (UNOSSC)
