

Solving the Climate Crisis Together

The solution to the climate crisis can only be reached through a meaningful partnership. Join us at our COP26 side-event to:

- Exchange on how people, groups and governments can ensure effective participation in climate policy making and implementation.
- Present ways to design functioning collaborative models.
- Highlight opportunities and challenges for civil society and especially young activists to engage in decision-making and implementation of the climate policies.

WHEN

Fri, 05 Nov 2021, 13:15-14:30

WHERE

Derwentwater room.

Follow online through the COP26 platform or the COP26 Side Events YouTube Channel:
