**World Mayors Summit on Climate –
Next phase of global local climate action**

Local Authorities worldwide move to the next phase of concrete climate action at the World Mayors Summit on Climate (WMSC2010) in Mexico City on 21 November 2010.

The Summit will launch global mechanisms to formulate measurable, verifiable and reportable local climate action now, up to and beyond 2012.

The side event will present an opportunity to discuss with high level local government representatives on the preparations of the Summit and contributions of local governments in the design of a low-carbon, climate-resilient human civilization.

SPEAKERS INCLUDE:

David Cadman, President of ICLEI, Councillor of Vancouver

Ronan Dantec, Spokesperson of UCLG, Vice Mayor of Nantes

Marcelo Dutra, Secretary of Environment and Sustainability, Manaus

Rafael Iguarta, Director International Affairs, Secretariat for Environment, Federal Government of Mexico City

Luciana Silvestri, Climate Change and Energy, Club de Madrid
