

Pre-2020 actions to drive emission reductions and track progress

November 14, 2016 – 15:00 - 16:30 GMT

Blue Zone, COP22, Marrakech, Morocco

Observer Room: Austral

Live Stream available at: www.youtube.com/watch?v=YGgeuOfPHy4&index=111&list=PL-m2oy1bnLzocWRks4MGBmGKdcf8Nxuns

PURPOSE & OBJECTIVES

The IEA will outline cost-effective pre-2020 measures to drive emission reductions, and discuss how air quality concerns can promote climate action. As a complement, ClimateWorks will present the Carbon Transparency Initiative, a collaborative effort to track today's drivers of future emissions.

AGENDA & PARTICIPANTS

- | | |
|-------|--|
| 15:00 | Introduction and setting the context
Dave Turk, Head of Energy Environment Division, International Energy Agency |
| 15:10 | Pre-2020 actions to drive emission reductions
Christina Hood, Head of Environment and Climate Change Unit, International Energy Agency |
| 15:25 | Pre-2020 emission reduction policies in China
Liu Qiang, Director of Strategy and Planning Department, National Center for Climate Change Strategy and International Cooperation (NCSC) |
| 15:40 | Tracking emission reductions through the Carbon Transparency Initiative
Surabi Menon, Director of Advisory & Research, ClimateWorks Foundation |
| 15:55 | Emission reductions in Brazil: assessing drivers of action
Ana Toni, Executive Director, Instituto Clima e Sociedade |
| 16:10 | Question and answer session with the audience
Moderated by Dave Turk |
| 16:30 | Adjourn |
