

A satellite with a gold-colored body and large blue solar panels is shown in orbit above the Earth. The satellite has a circular instrument on its front. The Earth's blue oceans and white clouds are visible below, and the blackness of space with stars is above. A semi-transparent purple rectangle is at the bottom, containing the title text.

Bend the Trend- social movement

25/11/2009

13 Dec. EEA launching global platform displaying individual actions for GHG reductions to support climate movements across the world

- individuals can make GHG reduction pledges
- Show collective pledge efforts of other organisations
- Build viral momentum through various social media
